in search of a better, more beautiful world —
one day, we turned in the road to find
our beautiful new worlds were just beginning . . .

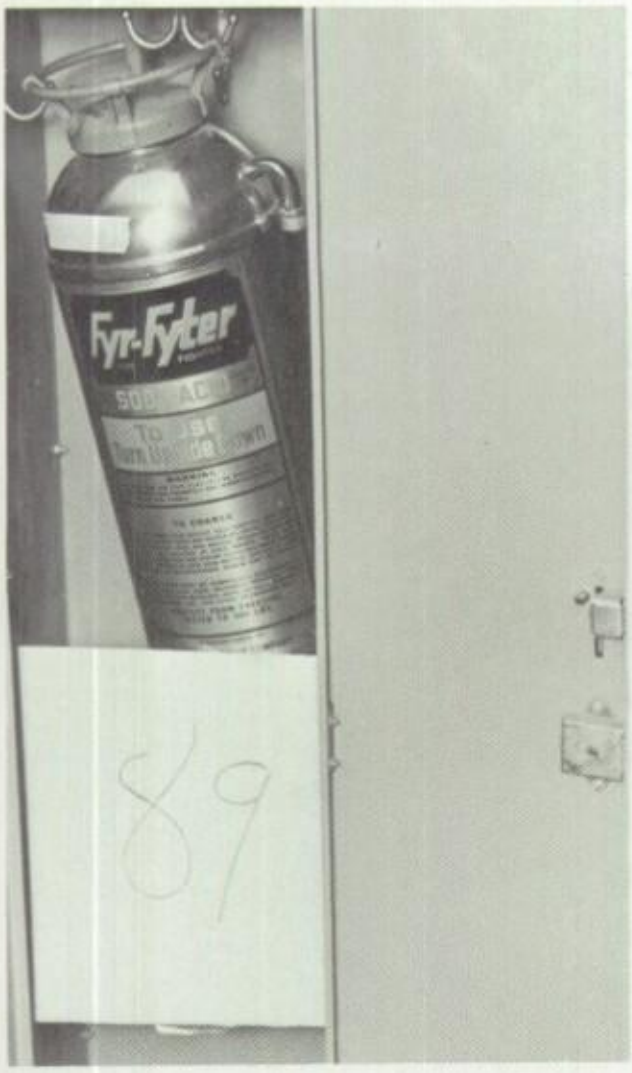
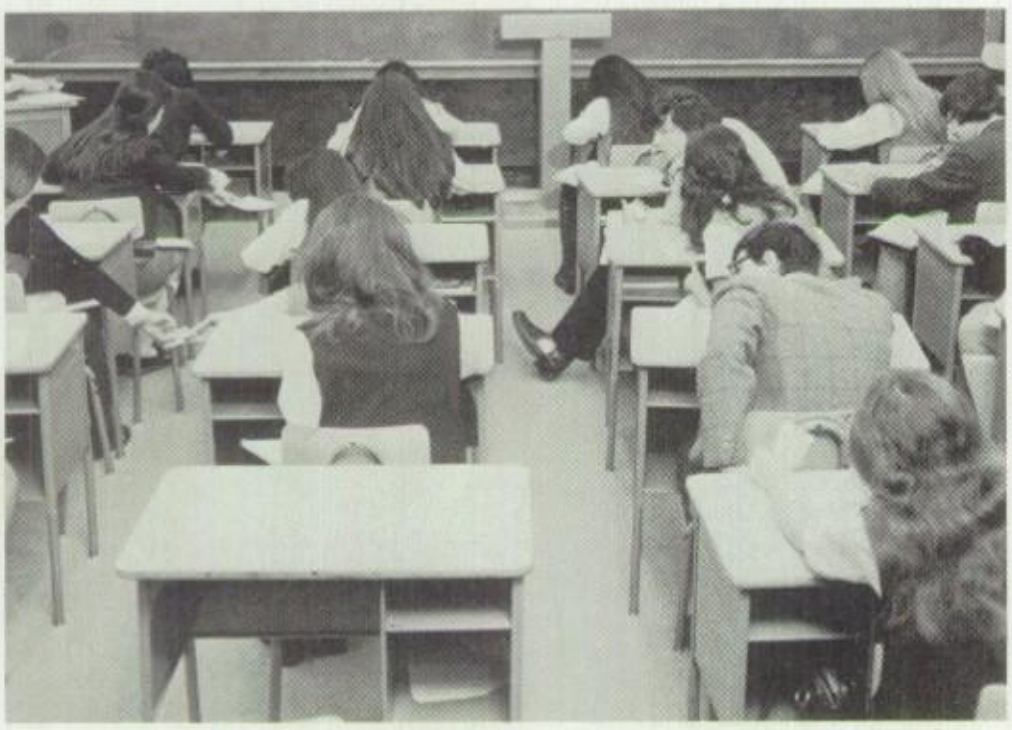
that it was . . . that it will never come again —
is what makes life so sweet . . .

Remember When . . .

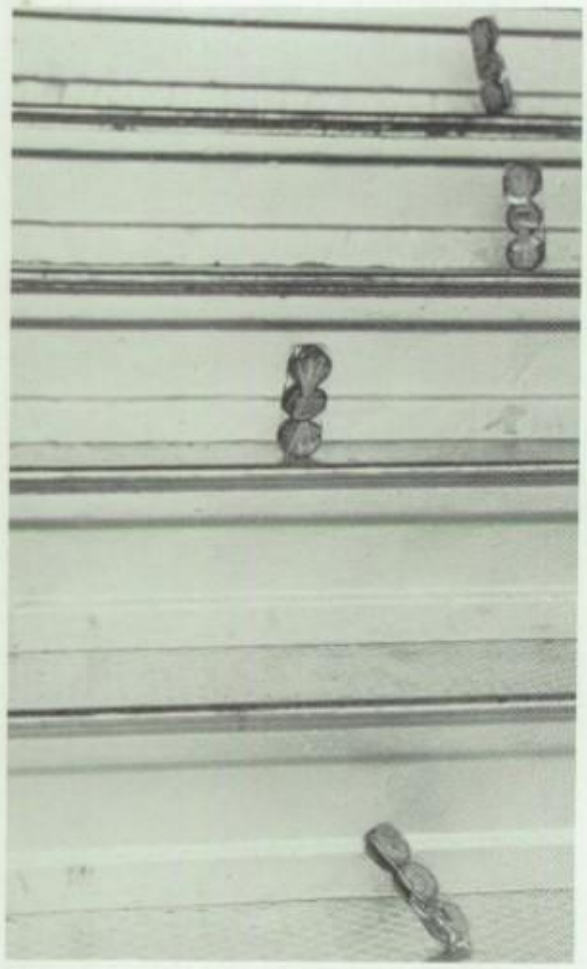


... SOME people thought this was a Holiday Inn.

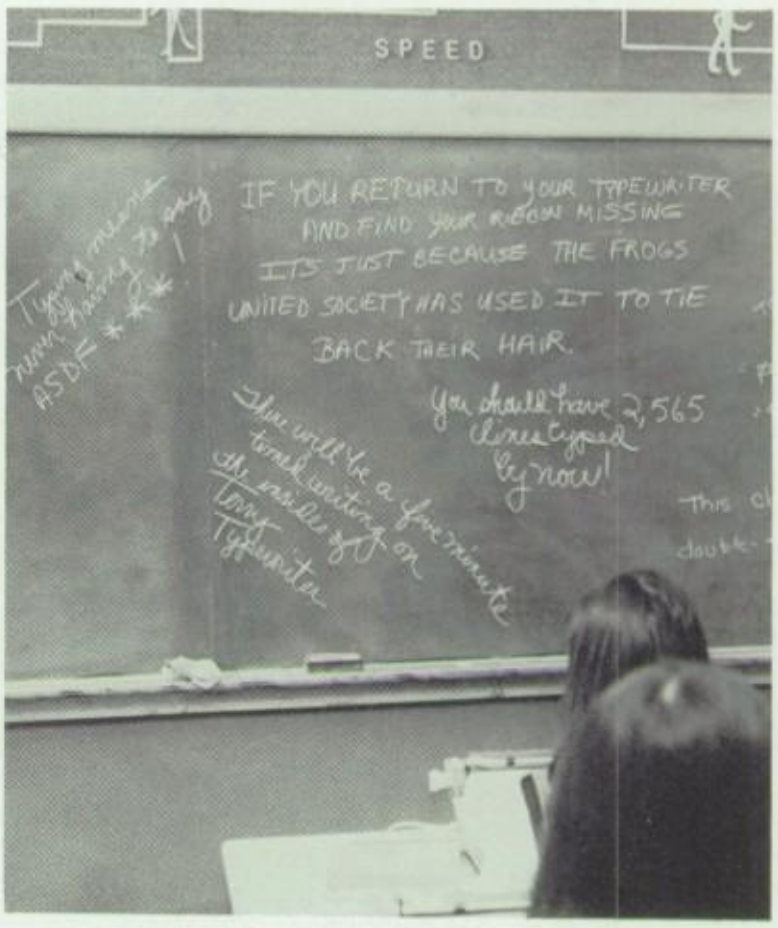


... we all studied? for Latin I.

... giants invaded the library.



... crackers walked up the stairs.



... Cakie rolled the cookie.

... everyone in the school got one of those "CATHOLIC" umbrellas.

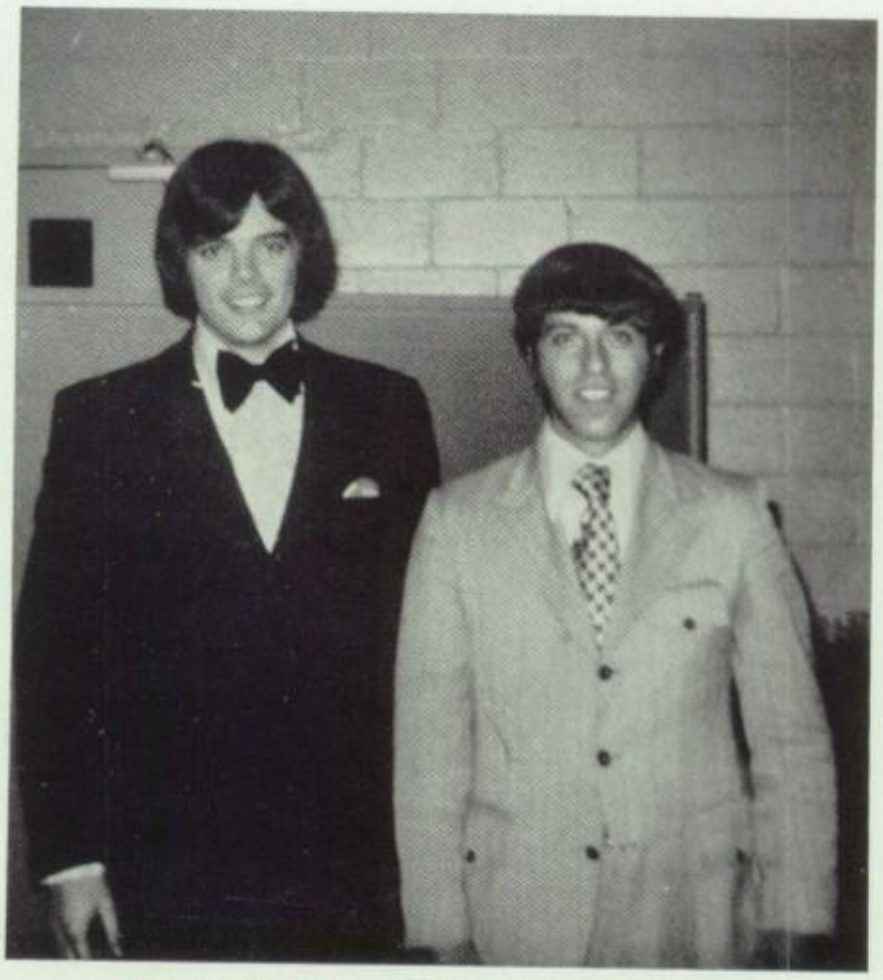
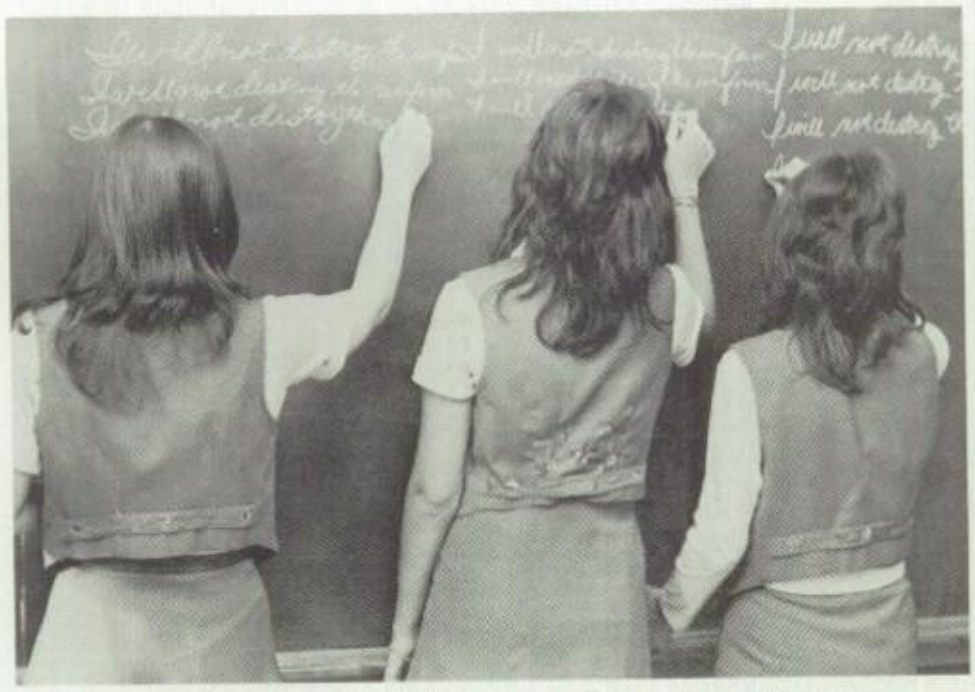
. . . when we gave Sister Jane a birthday party?

. . . Marie, our ever helpful secretary?

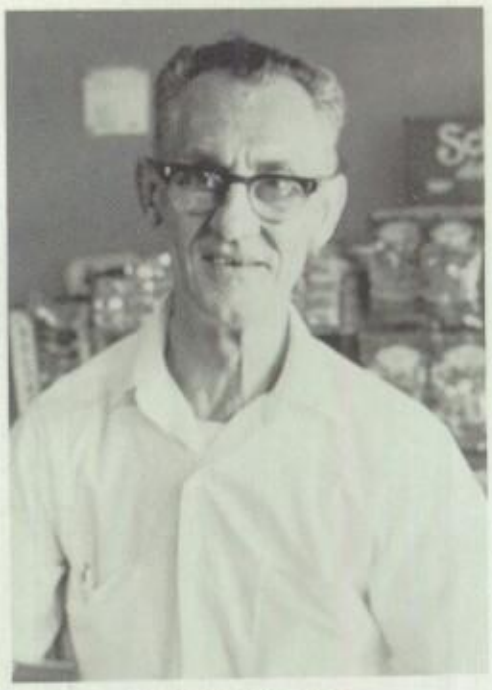


TOM GILMORE and ANGELO SALVATORI

. . . their names,
unless you knew them,
are useless to tell . . .



... the day embroidery came in and uniformity went out.



JOHN TUNK

... the day we came clean with Clorox II?

... The day Sister Ursula gave Vida Blue competition.

Time it was and what
a time it was
it was ...
A time of innocence,
A time of confidences.
Long ago it must be
I have a photograph.
Preserve your memories;
They're all that's left to you.

The times, we had some times
When the world was the color of neon signs
Remember how we talked and
laughed and cried into the dawning ...
But that was when we didn't know
our youth was passing by
Now all we have to think about
are times gone by.

Dear Graduates:

It is with a great amount of pride that we join with the Seniors in presenting the 1973 TALON.

We find it difficult to express the satisfaction we receive in having played a part in assembling this book of memories, happy days, sad days, familiar faces and memorable occasions.

To the class of 1973 we wish you luck, success and above all happiness. God bless you all.
